# MK all the way.

As a cornerstone of Milton Keynes, MK Dons has grown into more than just a football club over the past two decades; we are a family, bound by an unwavering passion, shared pride, and a deep-rooted love for the game and our City. This season, we invite you to celebrate the drama of live football, be part of our incredible family, and experience the world-class facilities at Stadium MK.

# Season ticket Prices Frozen.

“We’ve thought long and hard about our fans, and what we can do to support them this year. I’m delighted to announce that our season tickets will face no price increase for the new season.

I’m excited by the direction we’re heading in on the pitch, and as ever I want as many people as possible in Milton Keynes to share that excitement.

The importance of your support to our success remains crucial and I’m looking forward to seeing us all pulling in the same direction next season.

MK Dons is more than just a club; it’s a family. With your season ticket, you’re supporting the future of the club, as well as creating lifelong memories.

You’re not just a spectator; you’re an integral part of our story, a vital beat at the heart of our club.”

**Pete Winkelman**
