A warm welcome back to Fairfield's Sports Hub & today's opponents Cheltenham Town Ladies FC. In what we hope to be a positive start with 5 league games in the next month.

We will take huge confidence from last weekend's fixture where we progressed through to the Berks & Bucks Senior Women's Cup after beating Abingdon United Women 7-0. It was a performance where we showed our quality throughout on the ball, whilst being ruthless in front in some incredibly tough playing conditions. We now look forward to the final where we will be playing Reading FC Women on Sunday 17th March at Beaconsfield Town FC, 2pm kick off.

But it's important we don't focus too far ahead because we have some difficult fixtures coming up & that starts with today's opponents Cheltenham Town Ladies FC, who are a side we know well but also have posed us real problems previously.

During the past couple of seasons we have always had closely fought battles with Cheltenham, winning 2-1, losing 4-3 & drawing 2-2 so I have no doubt it will present another even encounter, where we know we have to be at our best to get all three points & hope we can do everything right to gain 3 more points &

“

Once again, the support shown has been fantastic for this group”

get closer to our first target of the season of gaining more points than last, with 14 points needed in our final 11 games.

It was pleasing to see all in attendance last weekend in the stormy conditions to celebrate our place in the final. We hope we can put the same level of performance in today & go home with 3 more points in the league & continue to look to push into the top 4 of the league this season.

COYD.
